

3M™ Sun Control Window Film Prestige Series PR 40X

Technical Data

Product Benefits

- High Visible Light Transmission, High Clarity, Extremely High Total Solar Energy Rejection
- No metals in the film, means no signal interference, no edge sealing needed, and no chance of corrosion
- Reduces air conditioning costs.
- Stay cooler by reducing excessive heat in warmer months.
- Reduces glare and eye discomfort.
- Excellent for store front application to reduce exterior reflection
- Excellent film for skylight applications
- Protects glass from graffiti
- Hydrophobic hardcoat helps to keep the exterior surface of the glass look cleaner
- Reduces the risk of thermal fracture
- Extend the life and vibrancy in the fabric of furniture and carpets.
- Reduces injury risk from flying glass.
